

2012 Memphis/Shelby County Building Code Presentation

Summary

Please join us for a 1 hour presentation followed by a Q&A session with members of the Code Advisory Board and supporting individuals, and local Fire Department Representatives.

The presentation will begin with a general history of local building code adoptions, will move into where we are today, and will conclude with a summary of the proposed draft recently approved by the Code Advisory Board.

Presentation by:

Julie C. Furr, PE, SECB
