

Association of CUSEC State Geologists Meeting

March 6, 2025 | Conway, Arkansas

Purpose

To bring together geological survey representatives from the CUSEC Member States to share information, synchronize plans, and develop a multi-state coordination strategy. Participants will provide input to update the CUSEC Multi-State Coordination Annex and develop recommendations for the CUSEC Board of Directors.

General Overview

Date & Time:	March 6, 2025 12:00PM – 4:30PM CDT
Location:	Arkansas Coding Academy 1835 S. Donaghey Ave Conway, AR 72034
Travel Reimbursement:	None
Notes:	The meeting precedes the Arkansas Governor’s Earthquake Advisory Council (GEAC) meeting and a USGS National Hazard Map workshop being held March 7, also in Conway. Attendees of the CUSEC SG meeting are invited to attend those, as well.
