

CUSEC Mass Care & Transportation Workshop

March 19, 2025 | Cape Girardeau, Missouri

Purpose

To bring together Transportation (ESF-1) and Mass Care (ESF-6) work group representatives from the CUSEC Member States to share information, synchronize plans, and to develop pre- and post-earthquake multi-state coordination strategies. Participants will provide input to identify priorities for the CUSEC Multi-State Coordination Annex and develop recommendations for the CUSEC Board of Directors on their respective areas of focus.

General Overview

Date & Time:	March 19, 2025 9:00AM – 4:30PM CDT
Location:	Cape Girardeau Public Library 711 Clark St. Cape Girardeau, MO 63701
Travel Reimbursement:	None.
Notes:	The workshop follows the 7th annual Missouri Earthquake Summit, being held at the Osage Center in Cape Girardeau on March 18th. CUSEC workshop attendees are invited to attend the earthquake summit, as well.
