

CUSEC Regional Resiliency Workshop

April 22-23, 2024 | N. Little Rock, Arkansas

Purpose

To bring together CUSEC states, FEMA, and stakeholders to share information and synchronize plans. States will identify FY25 priorities, develop a strategy, timeline, and framework for conducting resource allocation workshops, and continue building the CUSEC Multi-State Coordination Annex.

General Overview

Date:	April 22-23, 2024
Location:	Arkansas Division of Emergency Management Camp Joseph T. Robinson – Building #9501 N. Little Rock, AR 72199
